The Arc of Bradford County

The Arc of Bradford County is dedicated to treating those we serve with dignity, to empower them to choose and realize their own goals, and to promote their strengths through education and advocacy with support of families, friends, and community.

Founded in 1975 on inclusion and acceptance, The Arc of Bradford County has been a driving force in ensuring individuals with IDD receive the respect, care, and opportunities they deserve. Everyone has something valuable to contribute to society, and we are committed to helping our participants realize their full potential and to live full and rewarding lives.

Gala 2026

For over 50 years, The Arc of Bradford County has championed inclusion, created opportunities, and enriched the lives of individuals with intellectual and developmental disabilities. Now, we invite you to celebrate our mission in style at the Roaring Twenties Gala — a night of glamour, community, and purpose.

Set against the backdrop of the Jazz Age, the gala will feature live jazz, a speakeasy lounge, a silent auction, and an evening full of energy and connection. Whether you're a long-time supporter or new to our mission, this is your opportunity to give back, connect with community, and be part of something truly special.

By sponsoring the Roaring Twenties Gala, you're investing in programs that provide employment opportunities, independent living support, and vital community services — helping to build a future where everyone belongs. Join us in making a lasting difference!
