## **The Arc of Bradford County to Move Adult Day Training Facility to Former Hampton Elementary School Campus**

**STARKE, FL:** The Arc of Bradford County is excited to announce that its Adult Day Training Facility, previously located at 1351 S Water St. Starke, Florida will be moving to the former Hampton Elementary School Campus located at 10501 Hampton Ave. Hampton, FL 32091 in the near future.

The Arc, in partnership with the Bradford County School Board, will be utilizing the space to continue its mission in providing support and services to individuals in our community with intellectual and developmental differences.

The Arc will continue to operate its administrative offices and Sunshine Industries from its current location on Water Street.

This expansion of location will provide the space needed to grow current and future programming at The Arc and provide more opportunities for the individuals served to be engaged in community activities.

“The Arc is extremely grateful to the Bradford County School Board and their employees, for this partnership. We look forward to future partnerships in the community as we prepare for our 50th anniversary celebration in 2025,” said John Williams, CEO of The Arc of Bradford County.
