## About The Arc of Bradford County

*The Arc of Bradford County is dedicated to treating those we serve with dignity, to empower them to choose and realize their own goals, and to promote their strengths through education and advocacy with support of families, friends, and community.*

Founded in 1975 on inclusion and acceptance, The Arc of Bradford County works tirelessly to ensure the individuals we serve receive the care and attention they deserve. Everyone has something valuable to contribute to society, and we are committed to helping our participants realize their full potential and to live full and rewarding lives.

## About the Fall Festival

The Fall Festival is a family-friendly day filled with fun, food, and music for the individuals we serve, friends and supporters of The Arc, and community members.

The festival's main event is Cow Patty Bingo, an annual event since 2004. Anyone who purchases a bingo ticket will have a chance to win the grand prize of \$1,000!

All proceeds benefit The Arc of Bradford County to support individuals with intellectual and developmental disabilities.
